

Model publication scheme

Freedom of Information Act

This publication scheme commits Caister Parish Council to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by Caister Parish Council. Additional assistance is provided to the definition of these classes in sector specific guidance manuals issued by the Information Commissioner.

The scheme commits Caister Parish Council:

- To proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by Caister Parish Council and falls within the classifications below.
- To specify the information which is held by Caister Parish Council and falls within the classifications below.
- To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- To produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- To review and update on a regular basis the information Caister Parish Council makes available under this scheme.
- To produce a schedule of any fees charged for access to information which is made proactively available.
- To make this publication scheme available to the public.
- To publish any dataset held by Caister Parish Council that has been requested, and any updated versions it holds, unless Caister Parish Council is satisfied that it is not appropriate to do so; to publish the dataset, where reasonably practicable, in an electronic form that is capable of re-use; and, if any information in the dataset is a relevant copyright work and Caister Parish Council is the only owner, to make the information available for re-use under the terms of the Re-use of Public Sector Information Regulations 2015, if they apply, and otherwise under the terms of the Freedom of Information Act section 19.

The term 'dataset' is defined in section 11(5) of the Freedom of Information Act. The term 'relevant copyright work' is defined in section 19(8) of that Act.

- Information in draft form.
- Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

The method by which information published under this scheme will be made available

Caister Parish Council will indicate clearly to the public what information is covered by this scheme and how it can be obtained.

Where it is within the capability of Caister Parish Council, information will be provided on a website. Where it is impracticable to make information available on a website or when an individual does not wish to access the information by the website, Caister Parish Council will indicate how information can be obtained by other means and provide it by those means.

In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details are to be provided. An appointment to view the information will be arranged within a reasonable timescale.

Information is to be provided in the language in which it is held or in such other language that is legally required. Where Caister Parish Council is legally required to translate any information, it will do so.

Obligations under disability and discrimination legislation and any other legislation to provide information in other forms and formats will be adhered to when providing information in accordance with this scheme.

Charges which may be made for information published under this scheme

The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by Caister Parish Council for routinely published material will be justified and transparent and kept to a minimum.

Material which is published and accessed on a website is to be provided free of charge.

Charges may be made for information subject to a charging regime specified by Parliament.

Charges may be made for actual disbursements incurred such as:

- photocopying
- postage and packaging
- the costs directly incurred as a result of viewing information

Charges are also to be made for information provided under this scheme where they are legally authorised, they are in all the circumstances, including the general principles of the right of access to information held by public authorities, justified and are in accordance with a published schedule or schedules of fees which is readily available to the public.

Charges may also be made for making datasets (or parts of datasets) that are relevant copyright works available for re-use. These charges are to be in accordance with the terms of the Re-use of Public Sector Information Regulations 2015, where they apply, or with regulations made under section 11B of the Freedom of Information Act, or with other statutory powers of the public Caister Parish Council.

If a charge is to be made, confirmation of the payment due is to be given before the information is provided. Payment may be requested prior to provision of the information.

Written requests

Information held by Caister Parish Council that is not published under this scheme can be requested in writing, when its provision will be considered in accordance with the provisions of the Freedom of Information Act.
